

Reception English - summer 1 week 1

Week 3	Activity Day 1	Activity Day 2	Activity Day 3	Activity Day 4	Activity Day 5
Phonics	Practise your phonics for 10 minutes a day; Sounds to practise: Phonics actions or use Phonics Play or try Letters and Sounds . Finally new phonics games here.				
Reading	Make sure you have some daily quiet time to enjoy reading a book to your child. Also ensure daily time for your child to read to you. Listen to book a day with free storytellers such as Julia Donaldson and other favourites!				
Spelling and handwriting	Dictation (child writes it down, adult says it) of the sentence 'The fat cat is on the red mat.'	Dictation (child writes it down, adult says it) of the sentence 'The sun is hot and big.'	Dictation (child writes it down, adult says it) of the sentence 'I like to do my work.'	Dictation (child writes it down, adult says it) of the sentence 'She can hop and skip.'	Dictation (child writes it down, adult says it) of the sentence 'He can run and jump.'
Writing	<p>Write a film review.</p> <p>See the example below.</p> <p>Write about a show or movie you have seen this week.</p> <p>What happens in the show? Why do you like it? Tell a friend why they should watch it. How many stars would you give it out of 5?</p>	<p>Write a special message.</p> <p>Make a card for a friend or family member and write a special message inside.</p> <p>Remember to start with 'Dear...' and sign it 'Love from.'</p>	<p>Make a poster.</p> <p>During the summer term we are going to be learning about sea creatures.</p> <p>Research 'under the sea' by asking adults, using books and the internet.</p> <p>Then create your own 'Under the Sea' poster'. This could include drawings of sea creatures, plants and any fun facts you find out.</p>	<p>Write a fact file.</p> <p>See the example below.</p> <p>Choose your favourite sea creatures and create a fact file about them.</p> <p>Remember to include interesting facts and pictures.</p>	<p>Give instructions</p> <p>Hide some buried treasure in your house and give your adult instructions to find it.</p> <p>Some of the words you could use are: first, then, next, forwards, backwards, underneath, finally.</p>

Film Review by _____

Watch this film because...

The best bit is...

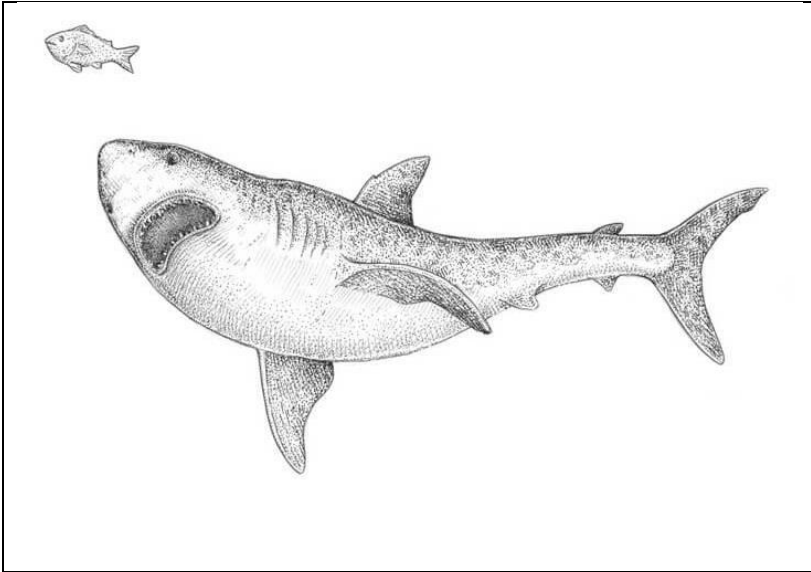

I would recommend this film
to...because...

It would be even better if...

I award this film...stars.

Sea Creature Fact File by

Sharks

Did you know sharks can hear fish swimming from over one mile away?

Jellyfish

Some jellyfish can glow in the dark.
Also jellyfish have no brain, heart,
bones or eyes.
